Before you print all your bingo cards, please print a test page to check they come out the right size and color. Your bingo cards start on Page 3 of this PDF.

Prepare

If you are using this for a classroom or other group, you may want to laminate the pages so that they can be used again each year!

Cut apart the "Bingo Caller's Card" to use to call and keep track of which pictures you have called.

You will need bingo chips to cover the pictures that are called out during the game.

Let's Play

One person uses the "Bingo Caller's Card" to call out pictures. Players cover the pictures on their bingo mat with bingo chips when they have a matching picture on their mat.

A player wins when 5 pictures are covered vertically, horizontally, or diagonally.
